DONOR FEE STRUCTURE

PATIENT GUIDE

We understand that building your family through donor conception is both an emotional and financial investment. This guide is designed to help you understand the donor program fees involved, plan with confidence, and know what to expect throughout your journey with Fertility North.

Donor Fee Structure
Unknown donors
Effective 1st November 2026

Non-Fertility North Fees

Applicable to Known Oocyte Donation Only

Cycle Type	Cost	Estimated Out-of-pocket (OMSN)	Estimated Out-of-pocket (EMSN)
JHC Admission*	$1,500.00	This is usually covered on a no gap basis for patients with Private Health Insurance	
Anaesthetist Fee*	Up to $850.00	This is usually covered on a no gap basis for patients with Private Health Insurance	

*Patients with Private Hospital Cover: The cost of the procedure, JHC admission and anaesthetist fee will either be billed directly to the health insurance provider or will be billed directly to the patient by Joondalup Private Hospital and/or the anaesthetists private rooms. In this instance, a receipt will be issued which can be used to claim back the admission and anaesthetist fee from the health insurance provider. The amount claimable is dependent on the level of cover, we advise this is confirmed with your private health fund. Eligible patients may also claim their procedure and anaesthetist fees via Medicare.

Need help with this guide?

Fertility North is proud to offer transparent, competitive fee structures for our donor program, with no hidden costs, so you know what to expect financially.

Our administration team is available during clinic opening hours to answer any fee-related questions. Simply call and ask to speak with our Donor Program Coordinator, or book an appointment for a more personalised discussion.
