*EMSN - Extended Medicare Safety Net. This applies to patients who have already accrued \$2133.00 in out of pocket expenses per calendar year in addition to their Original Medicare Safety Net.

† **Patients with Private Hospital Cover:** The cost of your egg collection (TVOA), JHC admission and anaesthetist fee will either be billed directly to your health insurance provider or, will be billed directly to you by Joondalup Private Hospital and/or the anaesthetists private rooms. In this instance, you will be issued a receipt which can be used to claim back your admission and anaesthetist fees from your health insurance provider. The amount you can claim is dependant on your level of cover, we advise you to confirm this with your private health fund. Eligible patients may also claim their TVOA and anaesthetist fees via medicare. ** Part of the cost of IVF / ICSI & FET can be claimed from medicare ONLY if the patient is infertile for medical reasons.

† **Self Funded Patients:** Hospital admission fees will be billed directly to you by Joondalup Private Hospital. Anaesthetist fees will be billed directly to you by either Joondalup Private Hospital or the anaesthetist's private rooms. TVOA will be billed directly to you by the Dr's private rooms.

Please note that these prices are subject to change at anytime, however all fees stated on a signed payment of procedure form will be honoured.
